

# MUNY LEAGUE RACE MUDDLE

### Protested Game Has Important Bearing on Lead in Standings.

Leadership in the Municipal basketball league was a muddled affair today as the result of games played last night. The North Side Grocers lost to the Yellow Cabs, 34-12, for one thing, and the Shamrocks "won" from the Phillips 66 squad in a protested game, 28-28.

In other games the Knutson Motors won from the Independents, 30-21, and the Ford V-8s whipped the Ripens, 24-12.

Under that setup, the North Side and the V-8s are tied for first place, Phillips 66 and Knutson Motors tied for second, with the Ripens, Shamrocks, Yellow Cabs and Independents bringing up the rear in that order.

But the Phillips 66 squad has something of an argument before it will drop the game to the Shamrocks. Here's what happened:

Phillips 66 was leading, 28-27, with less than 30 seconds to play. They attempted to stall, finally lost the ball to Pete Terzinski who started to dribble in for a short shot. Terzinski was fouled and given two free throws. The timer's whistle had sounded—but was not heard by Referee Pete Stromme.

The timer came out onto the floor and stated that he had blown his whistle before the foul was committed. Referee Stromme, however, allowed both free throws—and Terzinski made them both, putting the Shamrocks in the lead.

The official basketball rules for 1936-37 say this under rule 6, section 13:

"The timekeepers shall indicate with a gong, pistol or siren the expiration of playing time. . . . If the timekeeper's signal fails to sound or is not heard, the timekeepers shall go on the court or use other means to notify the referee immediately. If, in the meantime, a goal has been made or a foul has occurred, the referee shall consult the timekeepers. If the timekeepers agree that time was up before the ball was in the air on its way to the basket, or before the foul was committed, the referee shall rule that the goal does not count, or in case of a foul, that it shall be disregarded unless flagrant."

The grievance committee of the league will doubtless support Phillips 66 in its claims when the protest is considered. That would leave the teams in this position:

W.	L.	Pct.
North Side Grocers	7	.777
Ford V-8s	7	.777
Phillips 66	7	.777
Knutson Motors	6	.667
Ripens	4	.445
Shamrocks	2	.223
Yellow Cabs	2	.223
Independents	2	.223

# Busher McCarthy Goes Top Cabin in Majors

Joe McCarthy never played a major league game, but managed the two wealthiest clubs in baseball. McCarthy is the only pilot who has won pennants in both big wheels—in 1929 with the Chicago Cubs of William Wrigley, with Marce Joe on the left, and in 1932 and 1936 with the New York Yankees of Colonel Jacob Ruppert, proudly posing with his field marshal following the world series last fall.

# SCHROEDER IS IOWA CHOICE?

### Hawkeye Alumni Protest, Boom Moray Eby, Coe Director, for Job.

IOWA CITY, Jan. 22 (AP)—University of Iowa officials, although confronted with a statement from Moray Eby saying "I think it is only fair to me and my friends to be told why I have not been favorably considered," may announce the appointment of E. G. "Dad" Schroeder to the athletic directorship within the next few hours.

Although President Eugene A. Gilmore and Chairman C. M. Updgraft of the athletic board would not comment, it was reported Schroeder's appointment will be announced shortly.

One important development, however, could possibly delay and might even forestall the appointment: That was the known alumni pressure being brought against naming of Schroeder. There still remained the possibility the board might yield to alumni protests.

With the alumni objections same as a request from Eby that they explain why he has not received favorable consideration despite advancement of his cause by alumni and friends throughout the state. "I find myself in a somewhat embarrassing position" said the veteran Coe college coach and director.

"The fact that I have been mentioned for the position several times and that there has been so much publicity has caused my friends who apparently consider me qualified for the work to ask why I have not been favorably considered. I think it only fair to me and those friends to be told why" declared Eby.

The Coe coach, an Iowa alumnus, added that he never personally applied for a place in the Iowa athletic department, but that on several occasions his friends have advanced his name. He said he thought some explanation was due them.

# GOES TO TEXAS

Dana X. Bible

AUSTIN, Tex., Jan. 22 (AP)—Dana X. Bible, shown above, abdicating monarch of Big Six football, faced a new challenge today—rebuilding the crumbled gridiron glory of the University of Texas.

A 10-year contract with the veteran mentor, whose Nebraska teams have been almost perennial champions, was approved by the Longhorn board of regents after a two-day conference. His salary, though unannounced, unofficially was said to be \$15,000—\$7,500 more than the university president gets.

Bible boarded a train to return to Lincoln after declaring he would present his formal resignation to University of Nebraska officials—probably Saturday—before signing a Texas contract. Bible refused to name his assistants although rumor persisted Blair Cherry, coach of the Amarillo state high school champions, and Ted Twomey, line coach, might become members of his staff.

Others, however, thought he would bring part of his Nebraska staff with him and reorganize the Texas set-up completely.

Employment of Bible caused rejoicing among the student-body and alumni of the university by whom he is regarded highly.

President H. Y. Benedict of the university, who had stated he opposed paying coaches salaries in excess of professors, said, "Assuredly I shall give him my fullest co-operation."

Bible commented: "We have had a fine conference. The conditions presented and in which all groups are in accord are most satisfactory."

# Sports Round Up

NEW YORK, Jan. 22 (AP)—Dann Xenophon Bible has worked a lot of football miracles in his day, but never one to equal this week's triumph in Texas. He told the University of Texas regents he wouldn't consider coaching their football team for less than five years. They offered him a 10-year contract and then he made them wait for an answer. As a worker he makes Anthony Eden look like Strangler Lewis. As a worker he's hard to touch. As he posts signs all around his office: "Run, Don't Trot." "The team that wins is the team with the finish." He's always pointing these out to his men. This recent move suggests a new sign for coaches: "Never accept a five-year contract if you can get one for 10."

Add shrewd moves: Billy Jurges, Cubs shortstop, lives in Brooklyn. Billy decided recently to buy a house over there. Only trouble was he couldn't very well commute between Brooklyn and Chicago in the summer. So he went to "Bolly" Grimes, the new Brooklyn manager, and made him an offer to rent the house in summer. "Bolly," who naturally isn't very sure of settling down for good in Brooklyn, accepted. There's never much room out on that well known limb, what with its sport guys popping off all the time, and now it's crowded more than ever. This time hockey managers are out there. They're all, with one exception, picked the Detroit Red Wings to win the Stanley cup this year.

Newest sport round here is mouse fancying. Great stuff, too. Adicts have organized the American Mouse Fanciers association, with Rev. Reginald W. Ferrier as head man. Leo Diegel says his friendship with the Duke of Windsor was responsible for the English letting the golf pros use the front door. He says he walked up to the front door at St. Andrews and was stopped. Then, says Leo, he protested violently, and so did the prince. Finally he was allowed to go in. The English press took up the incident and it did much to break down the discrimination.

And speaking of discrimination, Ralph Henry Barbour, the author, writes colleague Sid Feder from Tampa that the south is waving the Davis cup flag for Betsy Grant again. . . . And may secede if he isn't picked for the team.

# Hodags Seek Sixth Win at Marshfield

Leave by Car This Afternoon; Other Conference Games Scheduled.

Rhinelanders' Hodags left by car this afternoon for Marshfield confident of ringing up their sixth straight conference basketball victory.

Unbeaten in seven straight games—five conference tilts—the Hodags are strong favorites to whip the green Marshfield club which has not won a game this season against a conference foe. A light practice session last night completed preparations for the scrap.

In other conference games tonight Stevens Point travels to Nekeosa and Merrill to Antigo. Point is favored to turn back the Nekeosa club, but is expected to have more than a little difficulty. Antigo is favored to win over Merrill by a comfortable margin.

The feature game of the week is to be played at Wausau Saturday night when Wisconsin Rapids invades Marathon county. Rapids, the only other unbeaten conference team, won an earlier game from Wausau, but rates no more than an even chance of winning Saturday night's affair.

SARASOTA, Fla., Jan. 22 (AP)—There was much talk of "popping a fly into the cup" and "slapping a home run down the fairway" today while the professional baseball boys swung into the second 18 holes of the national baseball players' golf tournament. # Kennedy, Sox Hurler, To Be Well by Spring

CHICAGO, Jan. 22 (AP)—Vern Kennedy, ace Chicago White Sox pitcher, took another long and satisfied look at a "photograph" of one of his knees today, and decided the long trip here from his native Mendon, Mo., was worth it.

Kennedy, who won 21 games and lost only nine last season, was hit on the knee by a pitched ball and the member had given him a little trouble. X-rays, physicians said, show the knee mending properly, and the hurler prepared to head for home with assurances he'll be fit by spring training time.

# Lawrence Trims Carroll

He held the Carroll star, J. Knoblauch, to two field goals. Osen, forward, was the high scorer for the winners with four baskets and three free throws. B. Knoblauch scored eight points for Carroll.

# Players' Tiffs With Umps Add Color, Says Tris

CLEVELAND, Jan. 22 (AP)—What did the old timers of baseball have that present-day players don't have? "Umpires," Tris Speaker, named to baseball's hall of fame this week in a poll of major league writers, said today.

"Follows like Cobb and Hornsby and myself were called colorful because we'd put on a show," said the former outfielder whose likeness will appear with other baseball greats in a memorial at Cooperstown, N. Y., where the national pastime originated 98 years ago.

"I used to come racing in from center field, purple with rage, push the umpire in the chest, and tell him what I thought of him."

"When I was all through, a fellow like Tom Connolly, Jack Sheridan or Billy Evans would say, 'Okay Tris. That's your story. You know mine—and I'm running this game. Get back there and play ball!'"

Speaker leaned back in his office chair at the liquor wholesaling firm he heads, flicked the ash from his cigar, then continued:

"Players today are afraid to open their mouths, especially since the major leagues decided to enforce the rule that fines must be paid by the players and not by their clubs."

"The result is that fans often decide the boys are interested only in their pay checks, instead of in fighting every inch of the way."

"I don't say umpires shouldn't run the game—but they certainly ran it in my time—but they also knew that the customers liked a show. You don't help baseball by putting a star player out of the game."

# Straits Bridge Bill Offered to Congress

WASHINGTON, Jan. 21 (AP)—Representative John Luecke, Escanaba, Mich., Democrat, asked congressional approval yesterday of a \$32,000,000 bridge across the straits of Mackinac linking upper and lower Michigan.

Previous attempts to have congress authorize the Mackinac straits bridge authority to build and maintain a toll bridge across the straits were made by Luecke's predecessor, former Rep. Prentiss M. Brown, now a member of the senate. Brown's measure was reported out of committee in the last session but failed to get house action.
