

RAT TITUDES

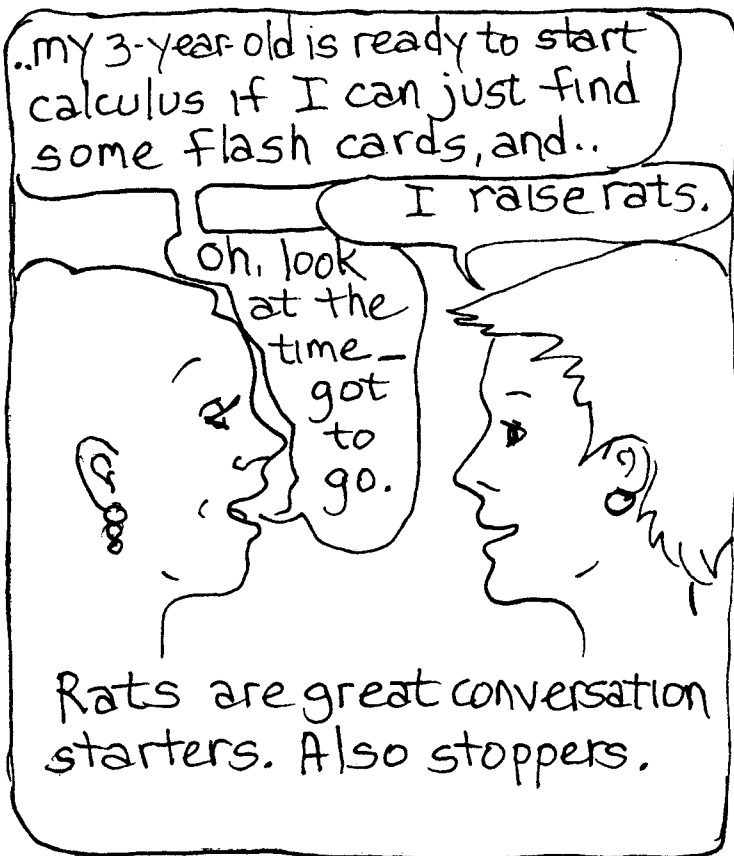

What Are Rats Good For, Anyway?

Rats let you know when it's time to dust under the bed.

A rat on your shoulder lets you refer to yourself in first person plural.

..my 3-year old is ready to start calculus if I can just find some flash cards, and..

Rats are great conversation starters. Also stoppers.

Rats are great company - and, unlike Great Danes and people, you can have lots in the house without crowding.
