Hitchhiker's Guide  
to Humans

I HAVE TO ADMIT THIS IDEA  
DIDN'T THRILL ME AT FIRST.

IT'S A STRANGE THING TO BE  
EXPECTED TO DO, AFTER ALL.

BUT I GOT USED TO IT,  
IT'S REALLY VERY PLEASANT,

THERE ARE SO MANY THINGS  
TO SEE AND SMELL.

AND YET YOU'RE SAFE FROM  
SHARP-CLAWED  
RAT-BITERS ON  
THE GROUND, AND  
THE FLYING KIND, TOO.

NO, I'VE NEVER ACTUALLY  
SEEN ANY OF THOSE. IF YOU  
SEE THEM, IT'S TOO LATE,  
ISN'T IT!

I DON'T KNOW WHY THE BIG  
CREATURE LIKES TO HAVE ME  
UP HERE,  
THOUGH.

POSSIBLY FOR WARMTH. IT  
HAS VERY LITTLE FUR OF  
ITS OWN, POOR THING.
