RAT-RIGUEZ '88

(13) **T**ired and after traveling for about one year to Cheese Mountain, Ricky Ratón became weak and fell off the cheese convoy wagon...

He rolled into the high grass and passed out

The rodent convoy continued to Cheese Mountain unaware that one of their weary travelers had disappeared. But the paper bag monsters hiding in the grass saw something fall off and waited patiently.

The paper bag monsters opened the curtains of grass and stared at Ricky Ratón
