NOTES ON FILLING OUT AN AFRMA ENTRY BLANK

Stuff to read prior to filling out the Entry Blank:

- The Show Schedule for that particular show OR
- Generic Show Schedule at
 <u>www.afrma.org/showschpg1.htm</u> PLUS
- Entry Fees and Deadlines page on the web site at www.afrma.org/entryfees.htm PLUS
- Show Rules at www.afrma.org/showrules.htm PLUS
- Notes & Rules at <u>www.afrma.org/notesrules.htm</u>
- "How to Show" article at <u>www.afrma.org/howshow.htm</u>
- Show Classes page on the web site: www.afrma.org/classes.htm
- Pet Show Classes page on the web site: www.afrma.org/petclasses.htm
- AFRMA Standards pages with photos and descriptions <u>http://www.afrma.org/fancyrm.htm</u>
- All exhibitors/sellers must submit an <u>Exhibitor/Sellers</u> <u>Form</u> prior to/with entry for every show [every show 12-7-19].

All exhibitors are to assume liability and responsibility to research the many <u>zoonotic</u> and other diseases that rodents may carry and pass on to humans or other rodents. You are showing at your own risk. [Added October 14, 2017]

Any new animals you bring into your rattery/mousery must go through a minimum 12-week quarantine period before being entered in a show. [Effective September 15, 2018]

Breeders should be <u>testing</u> new stock brought in as some diseases have no symptoms.

Animals are NOT to be handled at the shows other than by the owner, health checkers, and judges.

ENTRY BLANK:

Use the "Show Entry Blank" for Show Classes at www.afrma.org/showemail.htm

Use the "Pet Show Entry Blank" for Pet Classes at www.afrma.org/petemail.htm

Only list ONE EXHIBITOR PER ENTRY BLANK. Use a separate Entry Blank per person.

SPECIES: List whether a Rat or Mouse. This has a drop-down list to choose the species.

NAME OR NO.: Put the ID of each animal (include breeder's prefix initials, i.e. OS01 KK2163-A Priest). If you don't have a name yet, put some form of number for ID. When animals are shown for the first time, the name entered at that time (and spelling) must then be used on all successive entries so we can keep track of awards for each animal (unless it is a kitten entered with just an ID number, then once it has a name that name must not change), i.e. don't enter the first time as "ABC Inky" then next show change to "ABC Inkie Black" otherwise we will count any winnings as being from 2 different animals.

COLOR & MARKING: List the Color and any markings of that entry. See the "<u>Show Classes</u>" page for a complete list of recognized colors. If you don't know, put down that the animal needs checked the morning of the show.

SECTION: Section is the breakdown of classes within each VARI-ETY. See the "Show Classes" page for the recognized SEC-TIONS. This has a drop-down list of Sections to choose from. **DESCRIPTION (Pet Form):** List the description of the pet, i.e. Black Hooded Bristle Coat Dumbo.

VARIETY: Animals with the same coat type or unique feature, similar to Breed in other animals. See the "<u>Show Classes</u>" page for the recognized VARIETIES. This has a drop-down list of Varieties to choose from.

MULTI-VARIETY DESCRIPTION: Animals with more than one feature, such as Hairless Dumbo, Satin Rex, etc. See the "<u>Show Classes</u>" page for the recognized VARIETIES. This has a drop-down list of possible Multi-Varieties to choose from. MAKE SURE YOU CHOOSE MULTI-VARIETY IN THE VARI-ETY COLUMN.

NON-REG: (Non-Regular) These are the miscellaneous classes that don't compete for BIS. See the "<u>Show Classes</u>" page for the recognized NON-REG classes. This has a drop-down list of all Non-Reg classes.

BIRTHDATE: This is to list the birth date of **all** your animals (list in xx-xx-xx xwxd format, i.e. 12-1-15 8w5d).

BRED BY/STUD NAME: This is the name of the person who bred the animal (owned the female at the time of breeding) and their Rattery/Mousery name if they have one (include breeder's first and last name and rattery/mousery name spelled out, i.e. Karen Robbins/Karen's Kritters). If you got the animal at a pet shop, then list PET SHOP.

ADULT or YOUTH (Pet Form): This is for the exhibitor. Youth exhibitors are age 17 & under, Adults 18 & over. The person exhibiting the animals would have their name on the bottom of the form in the details, so if a Youth, then a parent name would also be added in the "If under 18, Parent Name" field.

FILL IN:

 <u>http://www.afrma.org/diseasecontrol.htm</u>
- Quarantining article <u>www.afrma.org/quarantining.htm</u>
- All exhibitors/sellers must submit an Exhibitor/Sellers Form prior to/with entry for every show.
